## OGDEN LOSES SECOND GAME

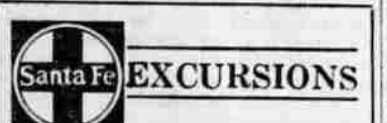

Helena Takes the Contest Which a High Wind Had Made Very Difficult Fielding—Rusthaven Pitches for Ogden and Allows Ten Hits

Helena, Aug. 6.—Helena defeated Ogden by a score of 8 to 5 in a ragged game here today. A high wind sending clouds of dust across the grounds made fielding difficult and made hits which ordinarily would have been outs. Score:

## ELECTRICS WIN UPHILL GAME

Missoula, Aug. 6.—The Electrics defeated the Highlanders here this afternoon in what was perhaps the most interesting uphill battle of the season. The Highlanders were still a score in the lead, Williams retired in the sixth in favor of Duffy, who allowed but two hits and no runs, striking out seven men during the remainder of the game. Score:

## BASEBALL

Quakers Beat Cardinals. St. Louis, Aug. 6.—Rixey was almost invincible this afternoon while Harmon was hit hard. Philadelphia winning the final game from St. Louis seven to one, and making it four straight games on the series. Rixey held the locals safe in all but one inning, the seventh, when one run was scored on two hits.

Philadelphia tallied first getting two runs in the opening round on a pass to Paskert, Knabe's triple and a sacrifice fly by Lobert.

In the fourth inning Cravath hit the ball to deep center for a home run. It was his fourteenth fourth base hit of the season and his second of the present series.

St. Louis tallied its run in the seventh inning when Whitted singled and Mowrey doubled. O'Leary batted for Wingo and sent out a sacrifice fly, sending Whitted home.

In the final inning, a pass, Becker's single and a triple by Cravath counted two. Ludrus doubled and Doonan tripled, sending two runs more across the plate.

Catcher McLean has been traded to the New York Giants for Pitcher Otis Crandall.

Senators Beat White Sox. Washington, Aug. 6.—By bunting hits, with two bases on balls, off Smith and O'Brien in the second inning today, Washington scored six runs and settled the third game of the series with Chicago, the final

score being 11 to 2. After the sixth the exhibition was one-sided and uninteresting. Chicago was unable to do anything with Johnson in the four innings he was on the mound, and Gallia, who succeeded him, was just as good, holding the White Sox to two hits in five innings.

Lathrop took up the box work for Chicago in the third, and his wildness, coupled with two singles, a hit batsman and two sacrifice flies, were responsible for the other Washington runs.

Chappell and Collins collided in the second inning while going after Milan's Texas leaguer back of second. Collins was knocked unconscious, but recovered sufficiently to walk from the field. Chappell remained in the game until the next inning, when he was relieved by Rader. Neither was hurt seriously.

Both teams used many layers, twenty-seven men participating in the game. Credit for today's victory gave Johnson eleven straight, tying the season's record held by his teammate, Boehling.

## Tigers Defeat Yankees.

New York, Aug. 6.—George Daus, the sensational young pitcher of the Detroit, was a pitcher's battle from New York today, the score being 2 to 1. Daus held the locals to four hits, two of which were fukes. A home run drive by Crawford won for Detroit in the third inning. Crawford's drive scored Daus ahead of him, the visiting pitcher having reached first base when Knight made a bad muff of his little pop fly. New York's lone run came in the sixth inning, when Hartwell's single scored Daniels. Cree opened the seventh with a fluke triple, which Cobb dropped after a hard run. Cree was put out at the plate trying to score on a short wild pitch. A moment later Sweeney hit a long single, which would have tied the score.

## Red Sox 4, Browns 1.

Boston, Aug. 7.—In a fast game Boston defeated St. Louis today, 4 to 1. The locals hit Baumgardner's pitching consistently, bunched hits in the first, second and eighth innings. Bedient pitched in his last year's form for the locals and kept the hits well scattered. In the seventh inning Austin, the first man to bat for St. Louis, tripled, but was left on third, as the next three men were out.

The Boston team has obtained two new pitchers, Fred Anderson having been purchased from the Brooklyn, New England, league club, and William Byers, a Minneapolis semi-professional player, having joined the local club for a try-out.

## Cleveland 1, Philadelphia 7.

Philadelphia, Aug. 7.—Cleveland put up a very aggressive game against Philadelphia today until the fifth inning, when a bunch of errors by the visitors, a safe hit by Collins and a home run by Baker gave the home team four runs, the visitors eventually being defeated by 7 to 1. Both Gregg and Bush were hit hard, and the base-hit columns show each team pulling off two double plays and Strunk made three wonderful running catches and Oldring and Barry and Collins also robbed the visitors of hits by fine running stops and throws.

Johnston was ordered off the Cleveland bench by Umpire Ferguson for yelling, and Umpire Connolly ordered Graney off the field for disputing a decision at the home plate.

For the third time in the series, and the sixth consecutive game here this season, action failed to get a hit. Cleveland scored 7 runs, Philadelphia 1.

## Pirates Defeat Giants.

Pittsburgh, Aug. 6.—Pittsburgh made it two out of three this afternoon in the series with the Giants and gave Christy Mathewson one of the hardest beatings of his career, thereby checking the winning streak of another New York pitcher. The score was nine to one. McQuillan pitched a steady game for the Pirates and but for an error by Carey on Murray's single in the eighth, the Columbus "Come-back" would have scored a shut-out.

Pittsburgh hit Mathewson hard from the start, fast fielding, however, saving him. The terrific batting base came in the fifth when the Pirates scored seven runs. Everything the Pittsburgh players hit went safe and at the same time, the New York team made several fielding slips which aided in scoring runs. After one man was out in this inning, Shaffer fumbled McQuillan's easy roller which have been the second out. Then followed a succession of clean hits with a pair of outfield errors thrown

in. Eleven men faced the New York pitcher in this inning, and seven runs and six hits were the result.

Pittsburgh's first two runs were scored in the third when Gibson, who went in with a single and McQuillan struck out. Byrne singled to left sending Gibson to third and took second on the play. Carey brought both across the plate with a single over second.

Mathewson retired after his disastrous fifth inning, and George Witte went in the box in the sixth, holding the Pirates runless in the succeeding innings.

## ANNUAL OUTING OF MUTUALS AT HERMITAGE

The annual outing of the North Weber Stake Mutual Improvement Association was held yesterday at the Hermitage and proved a big drawing card.

During the day a fine program of athletic events for both girls and boys was carried out under the direction of the committee. Following these events, an interesting game of baseball was played by the second Plain City team and the Warren team, with the following line-up:

PLAIN CITY	WARREN
Wagner, 1b.	Warren, 1b.
Wilde, 2b.	Wilde, 2b.
Wade, 3b.	Wade, 3b.
Wagner, 4b.	Wagner, 4b.
Wagner, 5b.	Wagner, 5b.
Wagner, 6b.	Wagner, 6b.
Wagner, 7b.	Wagner, 7b.
Wagner, 8b.	Wagner, 8b.
Wagner, 9b.	Wagner, 9b.

The final score was 11 to 8 in favor of the Warren team.

To arouse interest in the game of wrestling as a healthful form of exercise, the committee also arranged for a wrestling match and at 7:30 p. m. a large portion of the crowd gathered around the mat in the pavilion.

As a preliminary to the main event, Big Harberson, brother of Jack Harberson, the well known local grappler, and Lewis Roberts of Marriott, two featherweights, gave a fifteen-minute exhibition of speedy wrestling of the kind that showed that both were well up on the line points of the game and willing to work every minute. Neither secured a fall and the bout was declared a draw by Referee John Harberson, Sr.

C. R. Raty of Marriott, a protégé of Jack Harberson, and W. L. Fraser of Clinton, went on for the main bout. While Fraser was several pounds heavier, Raty had the advantage in form and a deeper knowledge of the game. Early in the match, Fraser got a reverse body hold on his opponent, which nearly won him a fall, but, with surprising strength, Raty finally got out of the trap amid the cheers of the crowd.

For the next ten minutes both wrestlers went at their work in the most approved manner. Raty, however, showing the most speed, and, after 15 minutes of wrestling Fraser was thrown partially off the mat by his opponent and was put hors combat by his left ankle striking the hardwood floor with considerable force. He was unable to continue the match and it was awarded to Raty by Referee Harberson.

To prove to the fans present that both he and his local fellow wrestlers were in working for the best interests of the sport and ready at all times to give satisfaction, Jack Harberson, who was present, asked Harold Parry to go on for twenty minutes with Raty. Parry willingly consented and Raty, equally as willing, agreed.

The twenty minutes that followed proved as interesting an exhibition of speed, strength and kameness as the most exciting fan would care to see and Parry, though heavier and a seasoned wrestler as well, found Raty in fact, he did not have to find him, for Raty was right there every minute, and at the call of time both men were still going after each other hammer and tongs, neither having gained a fall.

The impression of all who witnessed the bouts seemed to be very much in favor of the wrestling game, as it had been demonstrated to them as a splendid means of physical development, and much satisfaction was expressed for the efforts of the wrestlers to give a clean and worthy exhibition.

The pleasures of the outing were closed with a dancing party in the pavilion which was enjoyed by an augmented evening crowd which numbered nearly 500 persons.

The affair was handled entirely by the Stake boards of the two organizations and was voted a big success in every respect.

## SMALL MARKET FOR THE GINSENG

Washington, Aug. 7.—Ginseng, for which practically the only market is in China, where it is valued as a medicinal drug, has been shipped from the United States to the Orient at the rate of about 150,000 pounds, valued at more than one million dollars a year during the last ten years, according to a report just issued by the department of agriculture. On account of the limited market, and that 700 acres would raise all that was needed over there, Walter Van Fleet of the department's drug investigation division advises against "plunging" in ginseng.

"Ginseng," he says, "offers attractive possibilities to patient cultivators who are in sympathy with the limitations of growth and the slow development of woodland plants in general and who are willing to make a material outlay with only scanty re-

turns in view for several years." The amount exported last year was 155,000 pounds, valued at \$720 a pound.

Before, the wild forest supply of the plant was so large that it brought only 40 cents a pound. Native cultivation began about 15 years ago. It requires seven years for the plant to mature.

## GIVES WIFE BONDS; COMMITS FRAUD

San Francisco, Aug. 7.—J. Downey Harvey and his wife, Mrs. Sophia G. Harvey, committed fraud when Harvey transferred to his wife \$200,000 worth of stock some time before he was adjudged bankrupt in 1909. Such is the verdict handed down by Judge E. A. Farrington of Nevada in the United States District Court here yesterday.

This decision was given in a civil suit action brought in 1912 by W. S. Stow, representing creditors with claims aggregating \$400,000 Mrs. Harvey has been enjoying the income from the property, which is said to amount to about \$1200 monthly, but the court's decision in favor of the

creditors takes this revenue away from the family of the former millionaire.

Harvey and his wife contended that the transfer was made years before the bankruptcy proceedings at a time when Harvey admittedly was solvent. The court, however, based its decision upon wide discrepancies in Mrs. Harvey's testimony regarding her tenure of the stock, and the fact that she was unable to prove that she had held the disputed stock prior to 1909.

## HARTE TO BE MILITARY AIDE

Washington, Aug. 7.—Major William W. Harte, U. S. A., engineer corps, and B. S., Princeton university, is to be the principal military aide to President Wilson in addition to becoming Superintendent of public buildings and grounds of the capitol. This was announced today. The announcement that Col. Spencer Cosby, the incumbent of the office, was about to be transferred, already had been made. It is likely the transfer will take place about September 1.

## AMERICAN NOVELISTS

No. 4. JAMES LANE ALLEN  
"Learn One Thing Every Day"

Copyright, 1913, by The Associated Newspaper School, Inc.

A historical novelist worthy to rank with Nathaniel Hawthorne, James Lane Allen has been called. Both have given us pictures of the lives of our forefathers; but, while Hawthorne has shown us New England, Allen draws the Blue Grass region of Kentucky and its people.

It may be due to the fact that James Lane Allen was a seventh child that he has achieved such remarkable success in literature. He was born in Fayette county, near Lexington, Kentucky, in 1849, the youngest child of Richard and Helen Allen. He can number among his paternal ancestors some of the first settlers of Virginia. One of these ancestors, Richard Allen, moved to Kentucky, where he lived the easy, hospitable life of a gentleman farmer on his large estate.

## BASEBALL NEWS

Butte directors became convinced yesterday that they cannot draw against the horse races. The attendance at the games has been decreasing daily, until yesterday there were but thirty-seven paid admissions.

Howard Murphy received telegraphic information that his son is dangerously ill at Decatur, Ill. He has wired for further details and may be forced to leave the team for a time at least.

President Mulrooney attended yesterday's game at Butte.

Manager McCloskey has been instructed to make every effort to transfer the next Butte series to Salt Lake. If this switch is made it may necessitate a slight change in the schedule, as Salt Lake is booked to go to Missoula next week, then back to Butte and from there to Helena. In order to transfer the next Butte series here and to avoid making another trip north for the Helena series, the latter may be played on the dates scheduled for the last Butte series, so that Salt Lake can return home for a week with Butte and a week with Great Falls and then close the season at Ogden.

Beaumont, Texas, Aug. 7.—The sale for \$2000 of Center Fielder D. E. Wyle of the Beaumont Texas league team to the Chicago American league club was announced here today. He will join Chicago August 14.
